EDUCATIONAL OBJECTIVES OF THE MODULE

The course intends to give the tools to follow in an autonomous way an advanced research in the field of the song and of the artistic forms connected to it, and to stimulate a critical and original approach. To develop these skills the study case of the singer-actress Doris Day will be proposed, listening to her most famous songs and watching at her principal films. Research tools will be shown, students will be involved in the discussion, and each of them will be stimulated to identify a particular research path to manage independently and to expose to his colleagues

SYLLABUS

Hrs	Frontal teaching
10	Introduction to the American film music of the Fifties.
20	Doris Days' films: music and image, songs and form.
