DOCENTE: Prof. MAURIZIO MASSIMO BIANCO

PREREQUISITES	Students have to know the basics of the Latin language (phonology, morphology of the noun and the verb; syntax) and Latin literature in its periodization and evolution. They have to be able to translate texts and identify key messages. The students have to know the most important historical and cultural elements of ancient Rome.
LEARNING OUTCOMES	<p>Knowledge and understanding The aim of the course is that students must be able to learn about the ancient Rome literature, the specificities of theater genres, the theatrical practice and performance in ancient Rome, through the contribution from ancient and recent editions and also of translations and commentaries.</p> <p>Applying knowledge and understanding Ability to discuss about the interpretation of the dramatic texts, messages, artistic evaluation of authors.</p> <p>Making judgements Ability to offer opinions about exegesis of dramatic text, about artistic evaluation and personality of author.</p> <p>Communication skills Ability to communicate informations, questions, evaluations and solutions about the ancient Rome literature to specialist and non specialist audiences.</p> <p>Learning skills It is necessary to acquire learning method and personal deepening about dramatic, historical, anthropological problems and generally in literary problems.</p>
ASSESSMENT METHODS	<p>Final examination: oral questions During the oral examination, the students are required to answer oral questions regarding the entire study programme. The oral examination questions assess a) the knowledge and understanding of the contents of the course programme b) the ability to discuss about the Theatre of ancient Rome, artistic evaluation of authors, the interpretation of dramatic texts, c) communication skills d) acquisition of method of study and deepening of dramatic, historical, anthropological argument. The exam consists of translation test and oral questions; Questions: students will be assessed according to the following criteria:</p> <p>a) The student demonstrates an inadequate understanding of the linguistic, dramatic, historical and literary aspects of a text; he doesn't make exegetical proposals and doesn't formulate admissible judgments; he expresses himself in an unconfident and incorrect language; he hasn't achieved any learning skills. Points: Insufficient evaluation</p> <p>b) The student demonstrates just enough understanding of the linguistic, dramatic, historical and literary aspects of a text; he not always makes exegetical proposals and formulates admissible judgments; he expresses himself in an unconfident language; he demonstrates just sufficient learning skills. Points 18-19</p> <p>c) The student demonstrates an adequate understanding of the linguistic, dramatic, historical and literary aspects of a text; he makes adequate exegetical proposals; he formulates admissible judgments; he expresses himself in a correct language; he demonstrates sufficient learning skills. Points 20-23</p> <p>d) The student demonstrates a good understanding of the linguistic, dramatic, historical and literary aspects of a text; he makes convincing exegetical proposals; he formulates judgments autonomously; he expresses himself in an accurate language; he demonstrates significant learning skills. Points 24-27</p> <p>e) The student demonstrates excellent understanding of the linguistic, dramatic, historical and literary aspects of a text; he makes very convincing exegetical proposals; he formulates judgments autonomously; he expresses himself in a very accurate language; he demonstrates excellent learning skills. Points 28-30</p> <p>The final grades range from 18 to 30 points. A "cum laude" may be added to the highest grade (30) as an award of special distinction (30 cum laude) if the student shows a critical understanding of the course content and a solid competence of the dramatic literature.</p> <p>Students who were not able to attend the course can contact the teacher and agree to any changes to the program.</p>
TEACHING METHODS	Frontal teaching. Guided discussion on the proposed texts; In-depth activities.
