17394 - ORGANIZATIONAL PSYCHOLOGY

<p>VALUTAZIONE DELL'APPRENDIMENTO</p>	<p>The candidate will have to answer at least two / three oral questions, focused on all parties covered by the program, with reference to the recommended texts.</p> <p>Final assessment aims to evaluate whether the student has knowledge and understanding of the topics, has acquired the interpretative ability and independent judgment of concrete cases. The threshold is reached when the student shows knowledge and understanding of the issues at least in general terms, and has minimal application skills for the resolution of specific cases; It will also show presentation and argumentative skills to allow the communication of his knowledge to the examiner. Below this threshold, the examination will be insufficient. The more, however, the examinee can interact with the examiner with its argumentative and presentation skills, the more his knowledge and application capabilities go into detail on the subject of discipline, the more the assessment is positive.</p> <p>The final exam is passed when the student has obtained a vote of at least 18 over 30. If the student has obtained the highest grade (30) a laude can be attributed on the proposal of the member of the Commission.</p>
